Summer Camp at AIM KIDZ is very active and filled with loads of fun activities to keep your child(ren) busy this summer! Our goal is that campers will begin to develop social skills, leading to positive interactions with both new & old friends along with teachers!

We encourage campers to participate in various games, fitness activities, crafts, cooking, science, and guided free play. All activities are fun and incorporate educational elements.

Our counselors consist of our Preschool Teachers as well as High School and College workers. All Staff members are trained in all activities to be done with the children. They have all obtained State clock hours, First AID & CPR training, and background checks. A director is on site throughout the day.

A NOTE FROM YOUR AIM KIDZ CAMP DIRECTOR!!

Please email us at AIMKidz1@eatel.net with any camp questions or call us at 673-4966 extension 207. If we do not answer leave us a message so we can return your call as quickly as possible.

Thank you for inquiring about our AIM Kidz Summer Camp!

DAILY DROP OFF & PICK UP

AIM KIDZ campers should be dropped off and picked up at the glass doors of the blue trimmed building. Drive between the 2 buildings entering from Daigle Road and exiting onto Airline Hwy. You will need to check your camper in using the Brightwheel app as you drop off your child. You will get car tags with a QR Code on the back to make it easy to use app and check in and out. If you do not want to use app you can always use the kiosk and enter your unique 4 digit code.

***If you have campers in both AIM camp and Kidz camp, please drop off AIM camper first then circle through parking lot by Airline and stop when you get close to the Kidz drive and the door worker will come and get your camper! Please do not leave car to come and bring your child to the building.*

When you are coming to pick up your child in the afternoon, please have your car tag hanging from mirror so that we can call your camper and have him/her ready for you. Each person that is on the approved pick up list will have a unique 4 digit code. YOU MUST SET THEM UP IN BRIGHTWHEEL in order for them to get a code and be on your list. They do not have to download the app as use it (although WAY EASIER) if they do not want to but they must know code to use on kiosk.

***If you have campers in both AIM camp and Kidz camp, please pick up AIM camper first then circle through parking lot by Airline and stop when you get close to the Kidz drive and the door worker will bring your camper(s) to the car! Please do not leave car to come and get your child.*

AIM Camp and Kidz camp use the same Drive to exit onto Airline in the afternoon. Please be patient if you have to wait in a line.

LET'S EAT

AIM KIDZ CAMP will provide morning snack at 9:00, lunch at 11:30 and afternoon snack at 3:00. If a camper arrives early (6:30-8:30 am) and needs breakfast, feel free to send it with them. Any outside food sent for early morning breakfast must be in disposable bags or containers. Please do not send outside food as a part of the 3 eating times that AIM provides. ***If your child has food allergies then please let us know when registering.***

DISCIPLINE POLICY:

While we expect small issues with behavior and address those as they occur, we want to communicate clearly our policy concerning behavior issues that escalate.

AIM KIDZ 1 WILL NOT PERMIT:

1. Offensive language or behavior, towards another child or teacher.
 2. Repeatedly ignoring staff directions or corrections.
 3. Hitting / Slapping/ grabbing or aggressive behavior with another child or staff member.
 4. Repeated disrespect for AIM Kidz 1 rules / policies.
- Repeated disregard for the rules will result in the following write up process:

TIME OUT:

1. Time out shall not be used for children age 2.
2. A time out shall take place within the sight of staff.
3. The length of each time out shall be based on the age of the child and shall not exceed 1 minute per year of age.

PARENT CONTACT :

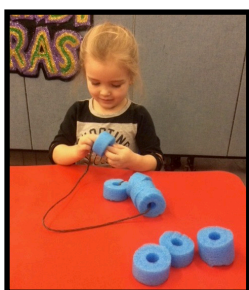

We will contact campers parents via Brightwheel app if we feel that a situation has occurred in which you need to be notified.
If a child's behavior causes danger to another camper or staff member then your child will be asked to leave the program.

EACH DAY OF CAMP PROVIDES DIFFERENT ACTIVITIES FOR CAMPERS:

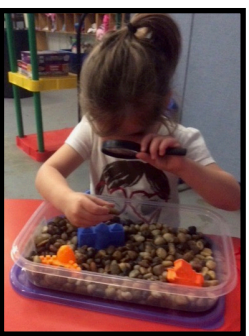

Campers are divided into groups based on their age. If campers being in a group with their friends or siblings creates discipline problems, they will be separated. We maintain an average of 12-16 campers per group. This is dictated by the age of the campers in each group.

FITNESS / GAMES the campers will be engaging in activities that will help them with overall motor skill development. They will have activities that will teach hand - eye coordination as well as general good old fashion fun game playing! Who doesn't love a game of tag or basketball?

PLAYGROUND! Before it gets too hot... the campers will get to go outside and play in the playground on the equipment. They will get free play outside. This is a great time for them to develop social skills and learn how to play with one another without having a teacher guide their interactions.

COOKING is a fun and engaging way to teach children. It has been used for years as a development tool for all ages. Our hands on cooking activities will help campers develop pride and confidence in their abilities, with a tasty treat to enjoy as a reward.

FUN FRIDAYS! All out Energy! Fridays will be WATER DAY and all around fun day... Dance Parties, Group Games, Physical Challenges and more! After a crazy fun morning we slow it down with Pop Corn and Movie Time!

STEM We use fun and educational tools to learn while increasing social and emotional development as well as enhance physical, cognitive and language skills. These activities are very sensory driven using our STEM Boxes. Examples: kinetic sand, water beads, fine motor sorting and patterning activities using tweezers, etc.

AIM KIDZ CAMP does have a dress code. **Campers should wear CAMP t-shirts everyday and stretch shorts with NO buttons or zippers please. Shoes for camp are strictly VELCRO tennis shoes. No sandals. No hats should be brought into the building.** Our program is very active and the dress code allows campers to participate in all activities without any wardrobe malfunctions.

HAIR: Girls and Boys with long hair should have a ponytail every day at camp. Short hair should be pulled halfway up. This is for the safety of the children when playing games.

EXTRA CLOTHES: VERY IMPORTANT An extra set of clothes NEEDS TO BE KEPT IN SUMMER CAMP BAG. Use a large zip lock bag and send an extra pair of shorts, shirt, underwear and socks. Accidents do happen and we want to be prepared for spills, mud puddles, cooking incidents, potty accidents, etc.
Please label any items that your child brings to AIM Kidz!

PRICING & FEES

Before registering please be aware of the following Policies:

1. AIM Kidz does not give any refunds on registration fees or daily or weekly tuition.
2. You are responsible for all payments on any weeks or days that you have committed to attending.
3. Since we do not give refunds we recommend signing up for a conservative amount of days or weeks as we will allow you to add as you need!
4. These are not transferrable between siblings.

We do have flexible scheduling, however in order to staff, we need you to select the days/weeks that you will be attending. It is possible for you to switch these weeks with enough notice to the preschool director.
