### \*\*\*\* NEW THIS YEAR\*\*\*\*

You will register and pay online. You **will not be billed via quickbooks**. Whatever week/day you put in cart you will pay for at that time.

With that being said... you can now pay weekly if that is what you want or need to do. I have 240 spots available each day for all 10 weeks. As long as there are openings for that week you can pick it and pay for it. When you pick a day or week and put in cart and pay for it you are locked into that spot. You have taken it and it is no longer open for others to select. If your plans can never be concrete then I would suggest you register each week for the upcoming week. We did not run out of spots last summer but I did close registration so that those that wanted to switch could. You must pick and pay by the Friday of the previous week. For example if you want week 5 then you must pick what you want by Friday 6:00 pm of week 4. You can continually check the openings and if it seems to be getting close then you can reserve your spot.

- AIM does not offer any refunds on registration fees, shirts, lunchboxes, color war items, or tuition. When you register, you agree to pay the total cost of tuition, registration and any other fees
- Since we do not offer refunds, we recommend signing up for a conservative number of weeks/days. You may add more as needed, as long as there are openings.
- We will NOT refund any unused time.
- Weeks and days are NOT transferable between siblings.
- You can choose weeks or days to register for. This should be done to fit your needs and schedule for the summer.

**\*\*Shirts, lunchbox, and color war items should be purchased online as well. Once we get request for items we will bundle together for you. We will also print your car tags. Once this is ready we will contact you for pick up.**

# SUMMER CAMP AREAS OF FUN!

## Kids Korner 30 min. Rotation.

This area has a dual purpose this year! There will be two groups of similar age in the area at the same time. They will be able to play in the play area or play organized active games. They will also be able to rotate between both areas. The second time they go to this area it will be used as a group activity. This activity will range from crafts to sports to dance. This time on the schedule will also be used to go outside if they choose pending the weather!

## Party Room 30 Min. Rotation

This room will have one group at a time. They will do crafts, games, cooking, and science in this room.

## Activity Room 60 Min. Rotation

The activity room will have two groups of similar age in it at a time. It will be used for cooking, science, games, and crafts. This room will also be a designated pick up area.

## Game Room 30 Min. Rotation

This upstairs area has various game systems set up. The campers can pick between Mario cart, Dancing, or sports games. This area will also be used for late pick up.

## Sport Court 30 Min. Rotation

## Big Blue Floor 30 Min. Rotation 2x

This is the larger floor and will used for organized active games.

## Gray Floor 30 Min. Rotation

The small floor located by the ninja area will be used as our new chill area with a lil spice to it! We will do Low organized games such as Tinkling, hula hoop rock -scissor - paper, Chinese jump rope, or other group activity games.

# ALL THINGS FOOD!

We have divided the camp into 12 groups. Each group will have a morning and afternoon snack time as well as a lunch time. The snack times will be 15 minutes long and lunch will be 30 min.

Campers should bring enough food to eat each day. Remember they will be extremely active and will need food to fuel their bodies. We can not warm any food for them. All their food needs to be easily opened. The campers can not share food with each other. Due to food allergies we do not allow any sharing at all.

Drinks should be single serving. If you freeze one that can double as ice pack! **Campers CAN NOT bring refillable water containers.** They spill, get lost, and cause injury to others when they swing them around.

**FUN FRIDAY PIZZA!!!** EVERYONE WILL GET TWO SLICES OF PIZZA ON FRIDAY. IF YOUR CHILD NEEDS MORE TO EAT, THEN YOU NEED TO SEND A LUNCH WITH THEM. THIS MEAL IS INCLUDED IN YOUR WEEKLY OR DAILY PRICE.

## VENDING MACHINE...

**The products in the machine will be \$1.00. There will be drinks as well as snacks. We will not monitor this or what snacks they choose to purchase. The campers can come in with money and get snacks for the day. IT WILL BE 100% THE CAMPERS RESPONSIBILITY TO DO THIS. They will only be able to do this upon arrival. The vending machine will not be open all day long. We highly recommend only sending the money that you want them to use for the day. We tried letting them put change in lunchbox but it tended to get lost or stolen.**

### ADDITIONAL INFORMATION:

NO carbonated beverages. No refrigerator or microwave available.

Don't forget a spoon when packing jello and yogurt!

### **MUST USE AIM LUNCHBOX.**

You will purchase this at registration and it can be used from year to year.

# BEHAVIOR POLICIES

**The number one behavior rule at AIM is HANDS TO YOURSELF.** We explain this to the campers every morning at assembly. We allow talking and hanging out in all areas once the activity or game has been explained. We do have them walk from area to area with no talking. This way they do not get lost getting to next area. Also we stress to be quiet in the lobby as the front desk worker could be on phone with other clients. Counselors will go over specific area and game rules at the beginning of each rotation.

## Two levels of misbehavior at AIM:

**Minor Offense:** breaking an area rule, not following directions, not listening, arguing with counselor, being mean/rude to other campers, etc.

**Major Offense:** aggressively touching another camper, foul/offensive language, destructive behavior regarding AIM's property or another camper's property, multiple minor offenses.

## Discipline Procedure:

1. Campers are given rules and expectations.
2. Camper commits a **Minor offense:** timeout with their group for the number of minutes equal to their age. Before camper returns to play they are reminded of the rules/expectations.
3. Camper commits a **Major offense:** Camper is sent to Director, parent is notified by phone and a Write-Up is issued and sent home. Camper and parent must discuss behavior issues and bring back the signed Write-Up before playing at camp.
4. Camper receives a **2nd Write-Up:** Parent is notified by phone. Camper must have 3 days out of camp suspension before returning to camp with the write up signed.
5. Camper receives a **3rd Write-Up: Camper may no longer attend summer camp at AIM. Registration fees and additional pre-camp fees will NOT be refunded.**

**You will be required to sign that you are aware of the behavior policy prior to your campers accepted admission into our summer camp !**

# DRESS CODE

Campers are grouped according to the grade that they will be in during the 2022-2023 school year. Kindergarten will wear blue. 1st grade and 2nd grade will be in green. 3rd and 4th will be in gray.

**\*\*WE NO LONGER TAKE 5TH GRADERS.**

All campers should wear **athletic shorts**. These shorts must reach the bottom of the campers fingers when the camper's arms are straight at their side. The kids are active during the day and shorts need to be long enough while playing.

**Tennis shoes** must be worn at all times. If your camper can not tie their shoes then they should wear velcro or elastic bands.

Any camper that has long hair needs to have it pulled up into a **ponytail**. The campers are active and will be doing gymnastics or ninja during the day. Keeping hair up will make their active day better.

## ACCIDENTS & INCIDENTS

### MINOR INJURY PROTOCOL:

Scratches, bumps, tweaks: we will check camper for basic mobility and issue band-aids or ice packs if needed. Any time a camper receives a bandage or ice pack, we will send home an incident report. This is just to inform you of what happened.

### MAJOR INJURY PROTOCOL:

Head injuries, suspected sprains, breaks: Call the parent and 911. If we suspect a child may have a concussion, neck/back injury, or serious injury of any nature we will call 911 to have emergency medical personnel treat the camper.

## SPECIAL ATTENTION!!

In order for us to meet our goal of giving your child a fantastic summer, we need to set each child up for success. Children adjust to new settings, react to situations and events in different ways. Please disclose to us if your child has any disabilities or behavioral/developmental concerns. The more we know, the better we can care for your child. Please inform us of what methods work for your child. We have had many children with developmental, behavioral, and emotional disabilities attend camp and have had great summers. Knowing a child's disability enables us to communicate and work with your child in the most productive way. Please feel free to email [AIMSummerCampFun@gmail.com](mailto:AIMSummerCampFun@gmail.com) so we can discuss any concerns before registering. We strongly request that if your child takes any medication during the school year, that they take it during the summer. Like school, children must listen, follow directions, and interact with others. Experience shows that being consistent with a child's medication provides the best behavior and fun at camp.

## Illness & Medicine

If a child is sick with **fever, vomit, or diarrhea**, they must be symptom free without the use of medication for **24 hours** before returning to camp.

**Lice:** If your child has lice, and has been at camp, please notify us so that we can check other campers. **Do not send your child back to camp until they are lice free.** You will need to check all family members as well as treat your home and child's toys, linens, etc. Please visit the CDC's website for proper lice treatment. You may need to retreat up to 3 weeks later.

**AIM CANNOT administer any medication to campers.**

If your child experiences any of the following, please make a note on your registration form so we know how you handle at home.

- Quick onset migraines requiring medication or specific care.
- Upset stomach or poor appetite as a side effect of a medication.
- Any allergies (food, insect, or other).
- Nose bleeds.

If a child complains of a stomachache or headache, we will go through the following steps:

1. Check their registration form for any notes.
2. Inquire about what they have eaten or had to drink that day, checking the contents of their lunchbox if necessary.
3. Check for fever.
4. Have them use the restroom.
5. Allow them to lie down and take a rest in the lobby.

**Often times campers are just hungry, dehydrated, or what they ate made their stomach upset. We will allow the campers to eat/drink if that's all they need. After a rest, we will encourage the camper to return to their group to play. If they do not seem like they are feeling better, we will give you a call (pending the contacts you list on your registration form).**

# Drop off & Pick up

ALL CAMPERS SHOULD BE AT AIM BEFORE 8:30 AM. ASSEMBLY IS DONE EACH DAY AT THIS TIME AND THE DAY'S ACTIVITIES ARE DISCUSSED. CAMPERS CAN PICK THEIR GROUP AS LONG AS SAME SHIRT COLOR AND THEY DO NOT HAVE BEHAVIOR ISSUES. EACH DAY AND WEEK WE WILL HAVE A VARIETY OF DIFFERENT EVENTS. BEING AT ASSEMBLY IS THE BEST WAY TO STAY INFORMED AND ON TOP OF ALL CAMP ACTIVITIES.

## **Drive-thru service open 6:30-8:30 am and 4:00-6:00 pm**

*Airline Hwy. is Exit Only!*

Enter AIM from Daigle Road, stop at glass doors under overhang.

### **Morning drop off 6:30-8:30 AM**

Drive up to the glass doors under the overhang and a counselor will be happy to get your child out of the car for you! Campers will enter the lobby, check-in, and go play!

### **Afternoon Pick Up 4:00-6:00 PM**

Campers must be picked up by 6:00 pm. Drive-thru service begins promptly at 4:00.

***Groups 1-4 will be in Party room, Groups 5-9 will be in Activity room, Groups 10-12 will be in game room upstairs. All transition at 5:00 to the Activity Room.***

We enforce a **very STRICT pick-up policy** for the safety of all our campers. There are **only two ways** we will release a child from our care.

1. **Car Tag** -At registration you will receive car tags with your campers' names on them. We only issue car tags to the parent at registration. The tags are color coded. 2. **Security Code**-on your registration form. You will create a **4-digit code** that you and any other parents can easily remember. The security code will be requested when there is no car tag. We will never give out this code, so please make sure you remember it! ***YOU MUST COME IN IF YOU ARE USING THE SECURITY CODE...YOU MAY NOT USE THE DRIVE THROUGH PROCESS.***

***If you need to pick your child up before 4:00, please park and come inside with your car tag or security code. Drive-thru pick up is only for car tags. If using a security code, you must park in the lot and enter building.***

3:45-4:00 each day is the most hectic time of the day. We are transitioning to their pick up areas. If you come during this time you are going to have to wait for a while.

When using the pick up system for our camp you will drive under the overhang and show your car tag to the staff member. They will call for you camper. You will then circle around the building to the side door. *(on the airline side of the building)* You will have your sign out again as the camp staff will need to see campers names in order to expedite the placing of campers into cars.

***At registration you may get as many car tags as you want. Please give these tags out to all family members that will be picking up your child. We will not run off more during the summer.***

## **GROUP HELPERS formally the Volunteers:**

I will need 12 group helpers a day! The former role of the volunteers will change into what we will call group helpers. They will be assigned to a group each day. They will be in charge of getting the group from place to place along with helping them if needed while doing projects. They will also be able to do projects if they want. There will be times during the day in which they have free time but for the most part they will be with a group and master staff.

Registration for camp and for group helpers will be done only online this year. There will be 12 group helper spots a day. Registration will be open until all spots are full or until Friday 4:00 pm of the previous week. So if you want to register for week 4 then you have until Friday 4:00 pm of week 3.

There is no longer a registration fee. It has been included in the price. There are no longer installment options. Whatever camp days or weeks you put "in cart" you will pay for. This way you can get exactly the days and weeks you need and you do not have to pick too far in advance.

The **group helper** price will be \$90.00 a week child 1 / \$85.00 child 2+. Daily price child 1 \$20.00 / \$19.00 child 2+.

I have put pdf documents on our web page, [www.aimgym.com](http://www.aimgym.com), to explain how to sign up on computer or on app. The app is easier to use once you get all set up.
